Size:

Sole is 3,25" (L) x 2" (W) normally for newborn baby – 3 months. If you like to make a bigger size all you need is to adjust the sole and follow the side shoes after.

This is some directions for bigger sizes:

3-6 mo - 3,75"x 2,25"

6-9 mo - 4"x 2,25"

9-12 mo – 4,5"x 2,5"

Materials:

I use 2 type of yarn :

1. Schachenmayr Nomotta (Pink) 100% Polyacryl
2. Katia Chantilly (Colorfull) 100 % Polyamide, very supple and soft.

You may use some other yarn that you can find in your neighbourhood.

Crochet hook size 3 mm

Basic abbreviations:

ch = chain

hdc= half double crochet

dc = double crochet

sl st = slip stitch

sk = skip

st= stitch

Round

SOLE (bottom shoe) : use the Pink Yarn.

1. Ch 12, hdc in the 2nd ch f/ hook, repeat 5 times (in the same ch), hdc in next 8 chs, 5 hdc in the last same st, sl st.

2. Ch 1, hdc in the same st, hdc in next ch, (2 hdc in next ch – hdc in next ch) 2 times, hdc in next 8 chs, (2 hdc in next ch – hdc in next st) 3 times – hdc in next 8 chs, sl st.
3. Ch 1, hdc in the same st- hdc in next ch , 2 hdc in next ch – hdc in next ch- 3 hdc in next ch (to make corner)- hdc in next ch – (2 hdc in next ch-hdc in next ch) 2 times, hdc in next 8 chs, 2 hdc in next ch- hdc in next ch, 3 hdc in next ch (corner). Hdc in next ch – (2hdc in next ch-hdc in next ch)2 times- hdc in next 8 chs, sl st (total 45 hdc made)
4. Ch 1 – sc in next 44 chs fasten off (total 45 sc made) this is the end of the shoe sole part.

SIDE Shoe: use the Colorfull Yarn

5. Ch 1 (from mid back shoe-see illustration 1) below) , hdc in next 14 chs – (hdc in next 2 st do not draw ; pull through both lp together on hook – hdc in next st) 2 times – hdc in next 3 st do not draw ; pull all 3 lp tog on hook, hdc in next ch (2 hdc in next ch – hdc in next ch) 2 times, hdc in next 14 st – sl st
6. Ch 1 – hdc in next 39 chs – sl st. ch 1.
7. Hdc in next 16 st (sk 1 – hdc in next st) 5 times – hdc in next 15 st – sl st

This is to make the lace/ ankle straps:

8. With Pink Yarn: Count 11 ch from mid back shoe (see illustration 2) → Start from the arrow to the other round – find the mid back shoe – sc to the next 21 sts – make 8 hdc as a shoe line – 5 ch – fasten off (this last to make the button hole – you may adjust this to the size of your button).
9. Choose your fancy button match to your colorfull yarn.

For the other pair shoe, start from the other side
I advice you make first finished the 2 soles, so you will
remember the ways easily. Then follow with the side shoe, at
last make the shoe straps and the fancy button.
