

CHAT SOFA/CHAIR

Sofa

Chair

Description:

Enjoying and Relaxing – Sculpture...

The idea behind CHAT was to design a piece of furniture where people could enjoy a chat and this furniture is ideal for a variety of uses. CHAT's design combines the elegant, soft, organic and round shapes of the back rest with the cubic lines of the seating element. High-quality materials for superb comfort.

Function:

Sofa:

Arm and back rest can easily be removed and the sofa is turned into a comfortable single sleeper - 90 x 200 cm.

Sales Arguments:

Enjoying and Relaxing – Sculpture...

The idea behind CHAT was to design a piece of furniture where people could enjoy a chat and this furniture is ideal for a variety of uses. CHAT's design combines the elegant, soft, organic and round shapes of the back rest with the more cubic lines of the seating element. High-quality materials for superb comfort.

Design: Hiromichi Konno

Japanese product designer Hiromichi Konno has worked as an assistant designer for Ross Lovegrove for three years. In 2002, he went independent, initially based in London in the UK.

Konno has now been based in his homeland, Japan, since 2007 and is working on various international projects including furniture and home accessories.
