

PIERCE

Sofa/Chaise long
Art. no.: 2-170

Description:

Sensual and sculptural

PIERCE is made from a vision about combining the sensual and sculptural elements to create a new shape. The elements of this iconic chaise long can't exist without one another. In its eye-catching design, PIERCE seems to defy gravity with the equilibrium of floating elements, creating impact and personality in any space.

Year of design: 2011

Sales Arguments:

Iconic chaise long.

Sculptural personality in every space.

A great number of fabric qualities and colours.

High quality.

A removable cover can be dry-cleaned or changed.

Possibility for buying new covers.

Design: Karim Rashid

Karim Rashid is one of the most prolific designers of his generation. Over 3000 designs in production, over 300 awards and working in over 35 countries attest to Karim's legend of design.

His award winning designs include democratic objects such as the ubiquitous Garbo waste can and Oh Chair for Umbra, interiors such as the Morimoto restaurant, Philadelphia and Semiramis hotel, Athens. Karim collaborated with clients to create democratic design for Method and Dirt Devil, furniture for Artemide and Magis, brand identity for Citibank and Hyundai, high tech products for LaCie and Samsung, and luxury goods for Veuve Clicquot and Swarovski, to name a few.

Karim's work is featured in 20 permanent collections and he exhibits art in galleries world wide. Karim is a perennial winner of the Red Dot award, Chicago Athenaeum Good Design award, I.D. Magazine Annual Design Review, IDSA Industrial Design Excellence Award.
